INDEX TO VOLUME VIII

The following pages comprise our annual index to all books reviewed in BOOKS ON TRIAL, Volume IX, from May, 1950 through April, 1951.

This index is divided into three sections: the first lists in alphabetic order the titles of all adult books reviewed, the second lists authors of these books, and the third lists juvenile books according to titles.

Numbers after each entry are the pages on which the reviews will be found. In some cases, instead of a page number, the word "April" will appear. This indicates that the book in question is reviewed in this issue, and the page on which the review appears can be found in the Table of Contents, on page 283 of this issue.
